SCHOOL NOTICES

Online Payment and Messaging

I am currently investigating a variety of online/app messaging and payment services and as part of this I would like to know how many people would be able to access it. Please could you complete the slip below and return to school so I can get an idea as to how many people could access this service should we go ahead. Many thanks.

Year 5 and 6 Athletics

Well done to all the children in year 5 and 6 who took part in the leisure centre athletics. They all tried really hard, demonstrated excellent behaviour and enjoyed competing against other schools.

Police Observing

You may have noticed there were police officers here on Friday last week monitoring the parking outside school. They are going to be coming and doing spot checks, following concerns from both residents and the Children's Resource Centre. Some people are still choosing to park on the corners of roads making visibility difficult, parking on pavements preventing wheelchair users from staying on the path and blocking drives. Please park appropriately.

Start and End of the School Day

We are seeing an increase in the number of children arriving late to school and being collected after 3.30pm. Please may I remind you that the school doors open at 8:50am so that children can be ready for the register and group work at 9.00am. At the end of the day, there needs to be someone in the playground at 3.30pm to collect children. Children not collected will be taken to the school library.
