SCHOOL NOTICES

PARENT TEACHER CONSULTATION EVENING

Please come earlier for your appointment and have a look at your child's books to see what they have been doing. If they are with you, get them to share things they are proud of and talk about the things they are trying to improve.

CLASS 2 EASTER EXPERIENCE

Please ensure you have acknowledged your child is out of school at the Easter experience on Tuesday either through School Gateway or returning the slip sent home last week.

COLLECTIVE WORSHIP

Well done to Alfie and William who led our collective worship on Thursday this week. They were extremely prepared with a super power point and also had a quiz for the children to respond to. Thank you.

EASTER SERVICE

All are welcome to join us at 2.00pm in St Helen's Church on Friday 12th April for our Easter service. If the weather is forecast to be wet, we will send out a text to everyone through school Gateway and it will then be held in the school hall. If you are able to help walk with us up to church, we will be leaving school at about 1.20pm. FASS are serving tea

and coffee after the church service. Please remember to let the class teacher at the Easter service know when you take your child, so that we know which children are going back to school with the staff.

STUDENT TEACHER WELCOME CLASS 2

We would like to welcome Dominic Robinson a final year student from York St John University. He will be with us for the next few weeks.

STUDENT TEACHERS GOODBYE

On Friday we are saying goodbye to Miss Glover and Miss Vayro who have been working in class 1 and 3 over the last few weeks. We would like to thank them for their time at our school. They have both grown in confidence during that time taking part in all aspects of school life. We wish them all the best for their final placements next year. I am sure they will both go on to be outstanding teachers.

SPORT NEWS

YEAR 5/6 QUICK STICKS HOCKEY

This week we took two teams to the hockey tournament. Firstly we got a shock when we saw how large the pitches were - double the size from the year 3/4 competition so it meant a lot of running around for the children. They tried really hard excellent team work getting better every game they played. Well done!

MESSAGE FROM KIDS CLUB

Firstly I would like to thank everyone who returned the kids club questionnaire - the raffle will be drawn on Monday. This information will get reviewed and we will let you know in due course if and when we plan to open within the school holidays. This week has been a busy week at kids club. Next week is our final week before the holidays. Now we are having the nicer weather we are using our outside area a lot more which the children are enjoying playing games and being very creative. Tuesday is go outdoors where we will head over to the park for some fun. Please note that on Friday after our Easter service we are still open until 5:30pm. We are running our Easter crafts as usual. Next term we will be back to baking on a Friday night as our planned activities.

Thank you Mrs Walker, Miss H and Mrs Holdsworth.

KIDS CLUB PHONE

Kids club have now got a mobile phone (**07544536369**) which is to be used during Kids Club opening hours should you need to contact a member of the Kids Club Staff. The phone is only operated and manned during opening times. This should be particularly useful if you are possibly running late or stuck in traffic etc. This is **not** for booking kids club, please continue to do that via school by email or phone.

FASS

BINGO TONIGHT

We look forward to seeing those people who have reserved places tonight. Please may we remind you that you are responsible for your children during the bingo and **they should not be in any of the classrooms'**
