**SCHOOL NOTICES**

**SATs Assessments**

Next week children in Year 6 will be taking their SATs tests. Children in Year 5 will also be doing some assessments for school use during next week.

The following week, the Year 2 children will be doing their formal tests. Please make sure your child/children have breakfast each morning, bring a water bottle to school and have plenty of sleep, to help them do the best they can.

The Year 6 SATs have to be carried out under very strict conditions; papers are then collected for marking externally and returned to school in July. All other assessments are marked internally. The local authority carries out moderating visits to ensure that we are abiding by the Department for Education guidance.

Please ensure all Year 6 children are in school and on time each day next week unless seriously ill.

We wish all our children doing assessments over the next few weeks to stay calm and positive. We know they will all try their hardest and we celebrate not just their academic achievements but also their progress in becoming responsible, caring young people.

**After School Cricket Club Y1-6**

There are still some places available for the after school cricket club. Please call into the office for a form if your child/children are interested.

**Newspapers Needed**

We are in desperate need of newspapers for covering tables during art lessons. If you have any that we may use, please send them into school. Please also ensure they are not newspapers with inappropriate pictures!
