YEAR 6 RIPON CATHEDRAL LEAVERS CELEBRATION

Reminder that consent for your child/children needs to be given via school gateway (payment section) by Monday as we are going Tuesday morning.

We have had a number of parents calling in about not receiving trip letters and other important information. Please can all parents make sure they are reading the attachments that are emailed home on a Friday afternoon with the newsletter. If you change your contact email or mobile telephone number please also let us know as soon as possible so that we can make sure letters are being sent to the correct email addresses.

FLOWERS AROUND SCHOOL - MESSAGE FROM MRS SIMONS

Thank you to all those who have sent containers with flowers to school, I am sure you will agree that school looks fantastic! It's not too late to send contributions into school, please drop off any time at school. Many thanks.

SCHOOL CARPARK

I have been made aware of two near miss incidents regarding children in the school carpark. May I remind you that you should not be using the school carpark unless working/helping in school that particular day, have a blue disability badge or a child with an Education health Care Plan and have that child with you. Children must be supervised at all times to prevent an accident and staff arriving back to school at the end of the day need to be able to park in the carpark. The car park can be used outside of busy times but not between 8.50am-9.10am and 3.20pm-3.50pm when we have children passing the entrance. You would not want to be responsible for running over a child! Many thanks for your co-operation.
