AINDERBY PRIMARY FUN FRENCH CLUB - Autumn 2020

Fun French has been running online zoom sessions throughout lockdown and even over the summer holidays with keen students, from all our schools, joining us for the usual fun with Sarah and Liz. We continue to sing, act out some songs, do roleplays and play games with the vocabulary we teach leaving them with sheets to fill in for homework sent by email. We would now like you to enrol for this term despite the fact that it still won't be with us in person, in the school. We know this is a really difficult time for families, as well as small, local businesses, like mine. So, for the moment, most of our sessions are running online for 40-minute sessions per week to keep our hand in and to keep us earning some money, as well as the children continuing to learn French in our usual fun manner. We still need to get enough members to make it worthwhile running this online club. At least it means if your child or any family member is ill, tests positive, or has to self-isolate, they can still join in with the after-school French club. Please bear with us during these unprecedented times though as sometimes technology gets the better of us.

There will be the opportunity to join a club on a Tuesday (for older or more experienced speakers Y4-Y6) or on a Thursday at 4pm-4.40pm for beginner/developing speakers. We have spaces for any children Y1-Y3 in one group and Y4-Y6 in another smaller group, whereby vocabulary is developed further into sentence construction and even writing French. We will make as many small groups as necessary, if there are enough interested. And we may mix children from different schools into different groups by their French experience and ability on either day. Do please encourage others to join in too, so invite some friends. Please send in the form below by Tues 22nd Sept to confirm if your child would like to join Fun French on zoom, so we can make the necessary arrangements. The children will learn basic French vocabulary about the house, towns and tourist attractions, the weather and animals.

Place: Zoom online from the comfort of your own rooms **Time:** 4pm – 4.40pm

Day 1: Tuesdays from 29th September until 15th Dec (11 wks)
