Kids After School Club

Welcome back to Kids club

We run Monday to Friday 3:30pm until 5:30pm charged hourly at £5 an hour.

After the year or more we have had without being able to do many activities due to Corona virus we are re-vamping and including a mixture of different activities.

This will change each week so the children get something new.

Please note that Movie Monday and Film Friday's will run from 3:30pm until 5:30pm and are charged at £5 for the two hours this includes snack of Crisps, chocolate item and drink. If your child is in a different class and attending kids club, they can also watch the DVD. **More info on which film being shown, will be given next week.**

Some days, depending on the activity, we may be on the school field or in the school hall. We should have returned to the kids club building by collection time 4.30pm or 5.30pm. Anybody picking up in between these times will need to collect from the main school building or the school field.

Kids club welcome donations of many things but are looking for some new sofas (depending on size), gardening equipment and seeds, soil. We would also welcome a mixture of spare clothes and underwear.

Please contact the office via email or telephone to book your child/ren into Afterschool Club, Movie Monday or Film Friday. Payment is made via the MCAS app.
