SCHOOL NOTICES

WELCOME

Welcome to Miss Julie Dewhirst who has joined staff in class 1. She is working full time and has replaced Mrs Campbell. She has previously worked in a large school in Leeds.

FLU VACCINATIONS

If you signed up electronically for your child/children to have the flu vaccination, they will be given this on Tuesday from 9.00am. School have a list of those children who will be given the vaccination based on which parents gave permission before the deadline date. Your child will remain in the classroom if not on our list. This is a vaccination to help with normal flu, not coronavirus.

If any parent has missed the deadline to consent and would still like to do so, you may email the nurse on - jo.lobb@nhs.net with your phone contact number and she will ring you to get verbal consent since the deadline has passed. Mrs Holdsworth has emailed all those parents who have already given consent as a reminder to you. If you didn't receive that email and you now wish your child to be vaccinated, you must contact Jo on the email address above.

SCHOOL RISK ASSESSMENT FOR COVID-19

On the school website in the Covid-19 section I have attached a copy of the most up-to-date risk assessment. Apologies that it seems to be changing frequently, however it is updated by North Yorkshire County Council health and safety team, then goes to unions, before coming to schools for us to add our individual school detail.

CHILDREN IN NEED

Thank you to everyone for supporting our fundraising for 'Children in Need'. We have raised £138 for children in need. Many thanks for your generosity.

SCHOOL DISPLAYS

I am aware that due to COVID-19, we are unable to have parents in school, therefore I thought it would be nice for you to see some of the displays on the walls in school. Please see the photos below, a display from class 3 will hopefully be finished next week.

MESSAGE FROM THE PRESCHOOL STAFF

Hi Everyone

What another busy week we have had in preschool!

The children have been creating some amazing robots using lots of different shapes. We have made a lovely display of them in the classroom. If you go on Tapestry we have taken some photos for you to look at so you can see what they have created.

It has been Aspect 2 this week in our Phonics, experiencing and developing an awareness of sounds made with instruments. We are working on counting and recognising our numbers 1-10.

Please can I remind you to let the office know when you have paid your invoice thanks.

Have a lovely weekend
