WHOLE SCHOOL NOTICES

It has been a very short week for our children this week and they have settled really well after the Christmas holiday. It was lovely to hear what fun they had with family even whilst some were having to isolate!

I am currently updating a new risk assessment regarding covid which I will place on the school website when finished. We have been given 3 carbon dioxide monitors to use in classrooms and the hall to check air flow at busy times. We are trying to keep the windows open minimally whilst children are in the classroom and open fully during breaktimes to refresh the air. Even though we have the heating on, school can still feel very cold. Please consider getting your child to wear a vest, polo neck or other jumper underneath their school jumper, particularly if they are feeling cold. Staff are all wearing layers and their thermals!

AINDERBY KIDS CLUB

Please see the attached overview of activities for January. Please ensure you complete the booking form for this term if you have regular weekly bookings, even if your child is doing the same sessions as last term. I have attached the booking form as well for those who need it.

SPORTS EVENTS

At the moment, due to the current Covid situation, sadly all sports competitions against other schools are suspended to avoid mixing with other schools.

REQUEST FOR BOARD BOOKS

Please could you look at home for any children's board books that your children no longer use? Pre-school would like to extend their library for books appropriate for their youngest children. Many thanks.

PRESCHOOL PARENTS

PLEASE CHECK THROUGH THE OTHER SCHOOL NOTICES IN CASE OTHER MESSAGES APPLY TO PRESCHOOL PARENTS

HAPPY NEW YEAR!

Welcome back and hello to all of our new starters to Preschool, we have loved getting to know you. Even though this week we have only been in Preschool three days, we have been jam packed with exciting activities. We have been looking at the season winter with a focus on arctic animals. The children have loved looking at the animals and talking about their similarities and differences. We have started some Preschool/Home communication books that you will find in your child's bags, please feel free have a look at them and add any bits of information you like.

We are looking forward to next week where we will be learning about and exploring dinosaurs ROARRRRRR!

If you need to contact our preschool leader Sarah Kelly please email her at preschool@ainderby.dalesmat.org

OTHER SCHOOL ITEMS SENT HOME TONIGHT

Please remember to look at all the attachments with the school email to ensure you have all the information needed regarding school. All letters are placed on the school website as well as being emailed.
