

1) This table shows how many books the children at Twinkl Academy read in each term.

Class	Autumn	Spring	Summer
Class 1	25	22	23
Class 2	19	24	20
Class 3	21	24	18
Class 4	30	28	31
Class 5	25	26	25
Class 6	17	22	30

Class 4 read the most books overall. I know that without working out what the total is.

Ann

a) Do you agree? Explain why.

- b) What questions could you ask about this data?
- c) Work out the answers.
- d) Ask a friend your questions.
