

Working Together – Inclusive Community Support – Parent/Carer Drop In

4 March 2022

Dear Parents/ Carers

You are invited to attend a special community event hosted by Northallerton School which will be attended by local voluntary and professional services which provide inclusive support for students, their parents and professionals.

The event is supported by YES@ Areté Learning Trust the national award-winning organisation which specialises in inclusive learning and sporting activities and which is a specialist Areté Learning Trust provider.

We are absolutely delighted by the response from organisations and local support groups who are keen to ensure that students with additional needs in our community get the best support they can. Well Being in Mind, POSCH (Parents of Special Children), NYCC Inclusion and Darlington Mind are among the organisations which will be attending.

The event, which will be held in Arbor Hall, is on Tuesday March 15th 6 -7 pm. For further information contact yes@aretelearningtrust.org
